- Our program is designed to teach the fundamentals of skating in a supportive and enjoyable environment.
- Group classes run in six, seven or eight-week semesters.
- Our professional staff will evaluate skaters throughout each semester. This will ensure that everyone is initially in the correct class and will determine if required elements for that semester have been mastered for promotion to the next level.
- Some levels are more difficult than others and may take more than one semester to complete.

### What to Wear

- Dress in comfortable layers that allow for unrestricted movement. Jeans are not recommended.
- A helmet (bicycle or ski) is required to be worn by all skaters registered for Snowplow 1-4, Basic Skills 1-4 and all skaters 10 and under. Admission to the ice for class without a helmet is not permitted.
- Gloves for warmth and thin socks that rise above the ankle.

**Show Off Your Skills! Purchase a Skater Recognition Iron-on patch when you move up a level. Each patch, \$2.00**
